Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$250/individual or \$500/family for In- Network Providers . \$500/individual or \$1,000/family for Out-of- Network Providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Preventive care , Primary Care visit, Specialist visit, and Vision exam for In- Network Providers .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	\$1,500/individual or \$3,000/family for In- Network Providers . \$3,000/individual or \$6,000/family for Out-of- Network Providers . This plan has a separate Out of Pocket Maximum of \$2,500/individual or \$5,000/family for Prescription Drugs In- Network Providers .	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , the overall family out-of-pocket limit must be met.
What is not included in the out-of-pocket limit?	Services deemed not medically necessary by Medical Management and/or Anthem, Prescription Drugs , Non- Network Transplant Services, Premiums , balance-billing	Even though you pay these expenses, they don't count toward the out-of-pocket limit .

	charges, and health care this plan doesn't cover.	
Will you pay less if you use a network provider?	Yes, Blue Access. See www.anthem.com or call (855) 603-7982 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of- network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of- network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral .
